PART 1010—SUSPENSION ORDERS

[Suspension Order S-948]

KANSAS PETROLEUM CO.

John Koch and Charles Koch are co-partners doing business as Kansas Petroleum Company with their principal place of business of business in Sabetha, Kansas. Subsequent to March 26, 1946, the partners began without authorization the construction of three buildings in a cabin camp project consisting of seven buildings located on Highway 75 about one-half mile south of Sabetha, Kansas. The three buildings on which construction was begun after March 26, 1946, were the two south cabins and the central building which was a heating plant and operations building. The estimated cost of each of the three buildings exceeded the limit permitted by Veterans Housing Program Order No. 1. The beginning and carrying on of such construction without authorization from the Civilian Production Administration constituted a wilful violation of Veterans Housing Program Order No. 1.

This violation has diverted critical materials to uses not authorized by the Civilian Production Administration. In view of the foregoing, it is hereby ordered that:

§ 1010.948 *Suspension Order No. S-948.* (a) Neither John Koch or Charles Koch, doing business as Kansas Petroleum Company or under any other name, their successors or assigns, nor any other person, shall do any construction on the two south cabins and the central heating and operations building in the cabin camp project located approximately one-half mile south of Sabetha, Kansas, on Highway 75, including completing, putting up, or the altering of any of such three structures, unless hereafter speci-

cally authorized in writing by the Civilian Production Administration.

(b) Nothing contained in this order shall be deemed to relieve John Koch and Charles Koch, doing business as Kansas Petroleum Company or under any other name, their successors or assigns, from any restriction, prohibition or provision contained in any other order or regulation of the Civilian Production Administration, except insofar as the same may be inconsistent with the provisions hereof.

(c) John Koch or Charles Koch, doing business as Kansas Petroleum Company shall refer to this order in any application or appeal which they may file with the Civilian Production Administration or the NHA for priorities assistance or for authorization to carry on construction.

Issued this 22d day of July 1946.

PART 944—REGULATIONS APPLICABLE TO THE OPERATION OF THE PRIORITIES SYSTEM

[Priorities Reg. 13, Direction 16, as Amended
July 22, 1946]

URGENCY CERTIFICATES FOR SURPLUS MATERIALS AND EQUIPMENT

The following amended direction is issued pursuant to Priorities Regulation 13:

(a) *What this direction does.* There is an urgent need for materials and equipment required in essential reconversion programs and many of these are not readily obtainable in sufficient quantities from new production. This direction describes how a person meeting the criteria described below may apply for a Civilian Production Administration Urgency Certificate which may help him to acquire surplus materials or equipment from the War Assets Administration if the material or equipment is available in surplus. Preference ratings have no effect on sales by WAA either by way of obliging it to sell or by way of determining as among several buyers who shall get the material or product. The urgency certificates issued under this direction are not preference ratings and may not be used to obtain materials or equipment from new production.

(b) *How to apply for an urgency certificate.* Application for a Civilian Production Administration urgency certificate to acquire government owned surplus material or equipment should be made on Form CPA-4425, addressed to the Civilian Production Administration, Washington 25, D. C., Ref: PR-13, Direction 16. Form CPA-4425 can be obtained from the Civilian Production Administration, Washington 25, D. C., or Civilian Production Administration District Construction Offices. In those cases where a certification from another Government agency is required as described in paragraph (c) (1) (ii), such certification should accompany the application when filed with the Civilian Production Administration.

(c) *When the Civilian Production Administration may issue urgency certificates.* (1) It is the general policy of the Civilian Production Administration not to grant urgency

certificates for Government-owned surplus property. However, if an applicant has been unable to obtain the material or equipment from new production as soon as required, the Civilian Production Administration may in limited cases grant such certificates good for 60 days for items of materials or equipment needed to support essential production under the following conditions:

(i) The material or equipment is required to sustain or increase his production of products listed on Schedule 1 of Priorities Regulation 28, and a CC rating would be assigned under the provisions of that schedule to obtain the particular item or items from new production. (In the case of steel in the forms and shapes listed in Schedule 1 of Order M-21, urgency certificates will be issued only if the applicant would be authorized to place a certified order to obtain the material from new production under Direction 12 to Order M-21); or

(ii) The material or equipment is needed by a war contractor for production which cannot be deferred without serious results to the defense program or to the health and welfare of the enlisted personnel. In this case a certification from the War or Navy Department or the Maritime Commission recommending the issuance of a Civilian Production Administration urgency certificate is required.

(2) If a CC rating has already been assigned or an application has already been submitted for a rating and the desired material or equipment is not obtainable from new production as soon as required, an urgency certificate may be issued in place of the rating if the applicant meets the criteria stated in paragraph (c) (1). A request to substitute an urgency certificate under this direction for a rating may be made by letter addressed to Civilian Production Administration, Washington 25, D. C., Ref: PR-13, Direction 16, instead of using CPA-4425.

(3) The Civilian Production Administration will carefully screen all requests and issue urgency certificates only when in its judgment such action is deemed necessary in the interests of the overall reconversion. Urgency certificates will not be issued to any applicant for more materials than the quantity which he will require to meet his current or scheduled operations during the 60 days immediately following the date of the application, less the amount he has on hand and expects to receive from other sources during that period.

(d) *How to use an urgency certificate.* If a CPA urgency certificate is issued, it will be given to the applicant in duplicate. These certificates are good only for government property which has been declared surplus to WAA and will cover material or equipment of the type requested or equivalent material or equipment. The certificate holder should present both copies of the certificate to a local sales office of WAA together with his written order or bid as required by it. It is important that these certificates be filed with WAA promptly since every urgency certificate expires 60 days after its issuance by CPA.

(e) *Effect of urgency certificates on WAA.* (1) Unless CPA specifically directs otherwise, the local sales office of WAA must give precedence to holders of CPA urgency certificates over any other class of buyers in selling any surplus materials or equipment of the type covered by urgency certificates which have been filed with it and which have not expired. Urgency certificates are not valid against any particular lot of materials or equipment which WAA has advertised or publicly offered for sale. The price and terms of sale of specific material or equipment to a holder of an urgency certificate and the relative precedence among

holders of urgency certificates will be determined by WAA. However, in view of the conditions under which the urgency certificates are issued WAA is required to effect the transaction as quickly as possible. If the sale is made through a dealer, WAA will designate the certificate holder who is to receive the material or equipment, and the dealer must give WAA a certification in substantially the following form:

The undersigned certifies to the seller and to the Civilian Production Administration, subject to the criminal penalties of Section 35 (A) of the U. S. Criminal Code that he will resell promptly the material or equipment obtained with this certificate to _____ (insert name of urgency certificate holder designated by WAA).

The standard certification described in Priorities Regulation 7 may not be used instead of this certification. Any person giving the certification described above must dispose of the material or equipment he gets with it in accordance with its terms.

(2) If a holder of an urgency certificate is unwilling or unable to meet the price and terms of sale determined by WAA, it is not required to make the sale.

(f) *Expiration of urgency certificates.* Every urgency certificate expires 60 days after its issuance by CPA. If any person to whom an urgency certificate has been issued is unable to obtain the material or equipment covered by the certificate before it expires, he may file an application on Form CPA-4425 for renewal, after the original certificate has expired. CPA may issue a new certificate if the applicant still meets the criteria described in paragraph (c).

(g) *Effect of this direction on other directions to Priorities Regulation 13.* Certain other directions issued pursuant to Priorities Regulation 13 limit sales of specific materials to buyers who certify that they will use the material for a particular purpose. Notwithstanding the provisions of any such directions, holders of urgency certificates for materials of the type covered by these directions may acquire such materials and their purchase orders take precedence over buyers eligible to purchase under the terms of the directions.

Issued this 22d day of July 1946.

In § 8305.12 (n) (1) the reference to § 8305.12 (e) is corrected to § 8305.12 (c).

[Reg. 14, Order 5]

PART 8314—DISPOSAL TO NONPROFIT INSTITUTIONS AND DISCOUNTS FOR EDUCATIONAL OR PUBLIC-HEALTH INSTITUTIONS OR INSTRUMENTALITIES

DISPOSAL OF SELF-RECORDING THEODOLITES

Investigation reveals that as of June 27, 1946, there were in surplus eighty-five (85) self-recording theodolites at a reported original cost of \$135,000. Due to their specialized nature and high cost, there appears to be little likelihood that these instruments can be absorbed commercially.

It is recognized that educational institutions and instrumentalities can use these theodolites for training and research in the field of engineering and that such training activities will be of great public benefit, but that due to the high unit cost of this equipment it is doubtful if such institutions or instrumentalities can afford to purchase under the provisions of § 8314.9.

In view of these considerations the War Assets Administrator finds that the benefit which will accrue to the United States from the use of these theodolites by educational institutions and instrumentalities justifies disposal to them at a nominal price approximately sufficient to cover the cost of care, handling, and disposition, and further finds that such a nominal price should be five (5) percent of the fair value of the property as established by the disposal agency.

Pursuant to the authority of the Surplus Property Act of 1944 (58 Stat. 765; 50 U. S. C. App. Sup. 1611), Public Law 181, 79th Congress, 1st Session (59 Stat. 533), Executive Order 9689 (11 F. R. 1265), and Public Law 375, 79th Congress, 2d Session, *It is hereby ordered, That:*

1. "Theodolites" as used herein means items under Code 58-8730 of the Standard Commodity Classification (May 1943, Volume I, Page 441).

2. Notwithstanding the provisions of § 8314.9, the War Assets Administration as a disposal agency, after making such provisions as may be necessary for offerings to priority claimants in accordance with the provisions of Part 8302,² is hereby authorized to sell self-recording theodolites to educational institutions and instrumentalities as defined in § 8314.1, whose orders shall have been approved by the Federal Security Agency, at a price equivalent to five (5) percent of the fair value thereof, f. o. b. location.

This order shall become effective July 23, 1946.

E. B. GREGORY,
Administrator.

When the disposal agency has notified the owning agency of the date on which any specific location will be organized for disposal operations at the site, the owning agency shall discontinue, as of the specified date, all declarations on WAA Form 1001 (formerly Form SPB-1) of property at such location, unless expressly requested otherwise by the disposal agency.

(b) The Administrator will transmit the declaration to the appropriate disposal agency and will notify the owning agency of such transmittal.

§ 8301.13 *Territories and possessions; filing declarations of surplus personal property.* Declarations of surplus personal property located in the territories and possessions shall be filed on the forms prescribed in Order 3 under this part with the War Assets Administrator, Washington 25, D. C., and at such offices of the appropriate disposal agency as are specified in Order 2 under this part, or, if not specified, as the disposal agency may direct.

§ 8301.15 *Withdrawals.* With the consent of the disposal agency, an owning agency may withdraw personal property which it has declared surplus and for which a declaration has been transmitted to such disposal agency pursuant to this part: *Provided, however,* That such withdrawals may be made only (a) on the forms prescribed by Order 3 under this part, (b) by the technical service, bureau, or other constituent part of the owning agency, which made the declaration, or its successor, and (c) upon the agreement of the owning agency to pay all freight charges in connection with the movement of the property to the point designated by such agency, in cases where the disposal agency has assumed custody and accountability.

§ 8301.17 *Transfer of surplus property between territories and possessions and continental United States.* No surplus personal property shall be transferred by a disposal agency from one territory or possession to another, or to the continental United States, without the consent of the disposal agency acting as such at the place of destination. Where such consent is given and the transfer is made, disposal shall be made by the disposal agency acting as such at the place of destination.

§ 8301.18 *Authority of disposal agencies to dispose of surplus property.—(a) In general.* The disposal agencies designated in this part are hereby authorized and directed to dispose of property declared or assigned to them as surplus. NATIONAL POWER & LIGHT CO. AND ELECTRIC BOND AND SHARE CO.

ORDER GRANTING APPLICATION AND PERMITTING DECLARATION TO BECOME EFFECTIVE

At a regular session of the Securities and Exchange Commission, held at its office in the City of Philadelphia, Pa., on the 19th day of July A. D. 1946.

National Power & Light Company ("National"), a registered holding company, and Electric Bond and Share Company ("Bond and Share"), National's corporate parent and also a registered holding company, having filed a joint application-declaration and amendments thereto pursuant to the provisions of the Public Utility Holding Company Act of 1935 regarding the following transactions:

National proposes to distribute to its common stockholders all of its holdings of the common stocks of Birmingham Electric Company ("Birmingham") Carolina Power & Light Company ("Carolina"), and Pennsylvania Power & Light Company ("Pennsylvania") (with the exception of 34,146 shares of common

stock of Pennsylvania) consisting of 545,610 shares of common stock of Birmingham, 909,350 shares of common stock of Carolina and 682,013 shares of common stock of Pennsylvania, on a basis such that the holders of National's 5,456,100 shares of common stock will receive for each share of such stock $\frac{1}{10}$ of a share of common stock of Birmingham, $\frac{1}{6}$ of a share of common stock of Carolina, and $\frac{1}{8}$ of a share of common stock of Pennsylvania.

National states that it presently intends to set August 8, 1946 as the record date for the making of the said distribution and August 23, 1946 as the distribution date. National will mail to its stockholders notice of the record date at least 14 days prior thereto, and proposes to make the said distribution by mailing, by registered mail, to its common stockholders of record at the close of business on the record date, the respective number of full shares of common stock of Birmingham, Carolina and Pennsylvania which they are entitled to receive in accordance with the proposals of distribution, together with fractional receipts in bearer form, which, when combined with other fractional receipts, shall be exchangeable for one or more full shares of the stock against which said fractional receipts were issued. Said fractional receipts shall be non-dividend bearing and non-voting, and shall not constitute the holders thereof stockholders. It is proposed that Bankers Trust Company, New York, act as depository for the shares to be distributed and as Distribution Agent in making the distributions required by the program of distribution.

National states that the proposed distribution is a further step in carrying out its liquidation program in compliance with an order of the Commission dated August 23, 1941, issued pursuant to section 11 (b) (2) of the act, requiring that the existence of National be terminated and that the company be dissolved.

Bond and Share, as a holder of 2,540,450 shares (46.56%) of the outstanding common stock of National, will, pursuant to the distribution herein proposed, receive 254,045 shares of the common stock of Birmingham, 423,408 $\frac{1}{2}$ shares of the common stock of Carolina, and 317,556 $\frac{1}{2}$ shares of the common stock of Pennsylvania, which securities Bond and Share proposes to dispose of in accordance with the terms of a plan, designated Plan II-A, filed by Bond and Share on June 24, 1946 pursuant to the provisions of section 11 (e) of the act (said plan is the subject of a separate filing and has been set down for hearing on July 24, 1946. See Holding Company Act Release No. 6747). Bond and Share states that the acquisition of these shares is a necessary part of its corporate simplification program.

Bond and Share states that upon its acquisition of the common stocks of Birmingham, Carolina and Pennsylvania as a distribution of capital from National, it will substitute on its books of account such stocks and its present investment in Pennsylvania and its remaining investment in National for its present investment in Pennsylvania and National without allocating its unsegreg-

gated cost thereof to each of the individual investments.

Bond and Share and National have requested that the order of the Commission granting the application and permitting the declaration to become effective contain the recitals that the proposed transactions are necessary or appropriate to the integration or simplification of the holding company systems of which Bond and Share and National are a part, and are necessary or appropriate to effectuate the provisions of section 11 (b) of the act.

Said application-declaration having been filed on June 24, 1946, and a notice of said filing having been duly given in the form and manner prescribed by Rule U-23 promulgated pursuant to said act, and the Commission not having received a request for a hearing with respect to said application-declaration within the period specified in said notice, or otherwise, and not having ordered a hearing thereon; and

The Commission finding with respect to said application-declaration that the requirements of the applicable provisions of the act and the rules promulgated thereunder are satisfied and deeming it appropriate in the public interest and in the interest of investors and consumers that said application-declaration be granted, and permitted to become effective and that the effective date thereon be advanced:

It is hereby ordered, That the said application-declaration be granted and permitted to become effective, subject, however, to the conditions prescribed in Rule U-24, and subject to the further condition that on or before December 31, 1946, or upon the sale or other disposal of any portion of any of such investments, if such sale or other disposal occurs prior to December 31, 1946, Bond and Share record its investments in the common stocks of Birmingham, Carolina and Pennsylvania and its remaining investment in National at such amounts and in such manner as the Commission may approve or direct.

It is further ordered, That the distribution and transfer by National of 545,610 shares of common stock of Birmingham, 909,350 shares of common stock of Carolina, 682,013 shares of common stock of Pennsylvania, and the issuance of any fractional receipts incident to such distribution and transfer, and the acquisition by Bond and Share as a common stockholder of National of its pro-rata share of National's holdings in Birmingham, Carolina, and Pennsylvania pursuant to National's plan of distribution, are necessary or appropriate to the integration and simplification of the holding company system of which National and Bond and Share are members, and are necessary or appropriate to effectuate the provisions of section 11 (b) of the Public Utility Holding Company Act of 1935.

It is further ordered, That jurisdiction be, and hereby is, reserved over the legal fees incurred or to be incurred in connection with the acquisition by Bond and Share of its pro-rata share of the securities to be distributed by National, and over all legal fees and expenses incurred and to be incurred in connection with

the transactions incident to the distribution by National of its holdings in the common stocks of Birmingham, Carolina and Pennsylvania.

By the Commission.

CONSUMERS POWER CO.

NOTICE OF FILING AND ORDER FOR HEARING

At a regular session of the Securities and Exchange Commission held at its office in the City of Philadelphia, Pa., on the 19th day of July, A. D. 1946

Notice is hereby given that the Commonwealth & Southern Corporation ("Commonwealth"), a registered holding company, and Consumers Power Company ("Consumers"), a subsidiary of Commonwealth, have filed an application-declaration pursuant to the applicable provisions of the Public Utility Holding Company Act of 1935 and the rules promulgated thereunder. All interested persons are referred to said document which is on file in the office of this Commission for a full statement of the transactions therein proposed which may be summarized as follows:

Consumers proposes (a) to amend its Certificate of Organization so as to increase the authorized number of shares of its common stock, without par value, from 2,000,000 shares to 6,000,000 shares, (b) to issue 3,623,432 shares of new common stock to Commonwealth in exchange for the 1,811,716 shares of common stock presently owned by it, the amount of capital represented by the new shares in the aggregate to be the same as the aggregate amount of capital represented by the shares so exchanged, and (c) to sell publicly, pursuant to the competitive bidding provisions of Rule U-50 of the General Rules and Regulations under the act, such number of additional shares of such common stock as will produce net cash proceeds to Consumers, after the payment of underwriting discounts or commissions, in the amount of \$20,000,000.

The proceeds from the sale of such additional shares are to be used for the construction and acquisition of property additions and for other corporate purposes. Consumers states that it contemplates property additions estimated to cost in excess of \$53,000,000, of which \$18,000,000 is estimated to be expended in 1946 and the remainder for completion of projects started in 1946, including the installation of approximately 170,000 kilowatts of additional steam-electric generating capacity and the construction and acquisition, by Consumers and through a new company, Michigan Gas Storage Company, of increased gas facilities.

Consumers also proposes to amend its Certificate of Organization so as to provide that, whenever and as often as four quarterly dividends payable on the preferred stock of any class shall be in default in whole or in part, the holders of the preferred stock of all classes shall have the exclusive right, voting separately and as a single class, to vote for and elect the smallest number of directors which shall constitute a majority of the then authorized number of directors of the company.

Consumers proposes to make an application to list its shares of new common stock on the New York Stock Exchange.

The filing indicates that the issuance and sale of the additional shares of common stock have been expressly author-

ized by the Michigan Public Service Commission, the state commission of the state in which Consumers is doing business.

It appearing to the Commission that it is appropriate in the public interest and the interest of investors and consumers that a hearing be held with respect to said matters, and that the application-declaration shall not be granted or permitted to become effective except pursuant to further order of this Commission:

It is ordered, That a hearing on the application-declaration be held in the offices of the Securities and Exchange Commission, 18th and Locust Streets, Philadelphia 3, Pennsylvania at 11:00 a. m., e. d. s. t., on the 14th day of August, 1946, in such room as may be designated at such time by the Hearing Room Clerk in Room 318. All persons desiring to be heard or otherwise wishing to participate should notify the Commission in the manner provided by the Commission's Rules of Practice, Rule XVII, on or before August 12, 1946.

COMMONWEALTH & SOUTHERN CORP. ET AL.

NOTICE OF AND ORDER FOR HEARING RELATING
TO ACQUISITION AND RETIREMENT OF
SHARES OF PREFERRED STOCK

At a regular session of the Securities and Exchange Commission, held at its office in the city of Philadelphia, Pa., on the 19th day of July A. D. 1946.

In the matter of The Commonwealth & Southern Corporation (Delaware), respondent, File No. 59-20; The Commonwealth & Southern Corporation (Delaware), and its subsidiary companies, respondents, File No. 59-8; The Commonwealth & Southern Corporation (Delaware), File No. 54-75. Supplemental application No. 15.

Notice is hereby given that a declaration (designated as "Supplemental Application #15") has been filed with this Commission pursuant to the Public Utility Holding Company Act of 1935 by The Commonwealth & Southern Corporation ("Commonwealth"), a registered holding company. All interested persons are referred to said declaration, which is on file in the office of this Commission, for a statement of the transactions therein proposed which are summarized as follows:

Commonwealth seeks authority to expend from time to time in its discretion \$5,000,000 of cash for the purchase of shares of its outstanding \$6 cumulative preferred stock. Recquired shares will be cancelled and retired. All purchases are proposed to be effected on the New York Stock Exchange, except that blocks of 500 or more shares may be purchased otherwise than on such exchange: *Provided,* That notice of intention to effect each such purchase otherwise than on such exchange, together with a statement of identity of the seller, the price proposed to be paid and any fees to be incurred by Commonwealth in connection therewith, shall have been given to this Commission and Commonwealth shall not have been advised by this Commission that it intends to issue an order to show cause why such purchase should not be consummated. Commonwealth does not propose to solicit or cause to be solicited the sale of any shares to it either on or off such exchange. No fees or commissions are to be paid in connection with such purchases, except the usual brokers' and dealers' commissions. At

least seven days before purchases are commenced, Commonwealth proposes to mail to the holders of record of its preferred stock a letter advising them of its intention to make such purchases in accordance with this Commission's order.

As of June 30, 1946 there were outstanding 1,482,000 shares of Commonwealth's \$6 cumulative preferred stock with a par value of \$100 per share, and as of that date, after the payment of a \$3 dividend per share payable on July 4, 1946, the amount of dividends in arrears on the preferred stock was \$27.50 per share.

The filing states that on March 25, 1946 Commonwealth filed in these proceedings a "Plan for Compliance with sections 11 (b) (1) and 11 (b) (2) of the Public Utility Holding Company Act of 1935". The Plan contemplates the dissolution of Commonwealth and the distribution of its assets among the holders of its preferred stock and common stock as liquidating dividends or in exchange for their stocks as provided therein. In such Plan, Commonwealth reserves the right, subject to the approval of this Commission, to retire all or any part of the outstanding preferred stock by making offers of exchange or by redemption or by purchase of shares in the open market or on invitation for tenders and to sell assets or borrow moneys to provide funds for such purpose.

The filing further states that under "the provisions of section 11 (b) (2) of the act, as interpreted by the Commission in its orders of April 9, 1942 and May 15, 1942, Commonwealth is required to eliminate from its corporate structure the presently outstanding shares of its" preferred stock. The declaration asserts that the proposed purchase and retirement of shares of outstanding preferred stock will be a step towards compliance with the Commission's orders under section 11 (b) (2), and will facilitate the carrying out of Commonwealth's Plan.

It appearing to the Commission that it is appropriate in the public interest and in the interest of investors and consumers that a hearing be held with respect to such matters and that the declaration shall not be permitted to become effective except pursuant to further order of this Commission:

It is ordered, That a hearing upon said matter be held on the 7th day of August 1946 at 11:00 a. m., at the offices of the Securities and Exchange Commission, 18th and Locust Streets, Philadelphia 3, Pennsylvania. On such date the hearing room clerk in Room 318 will advise as to the room where such hearing will be held.

It is further ordered, That any person who has not heretofore entered his appearance herein desiring to be heard or otherwise wishing to participate in these proceedings shall notify the Commission in the manner provided by its rules of practice, Rule XVII, on or before August 5, 1946.

It is further ordered, That Robert P. Reeder or any officer or officers of the Commission designated by it for that purpose shall preside at the hearing in such matter. The officer so designated to preside at any such hearing is hereby

authorized to exercise all powers granted to the Commission under section 18 (c) of said act and to a trial examiner under the Commission's rules of practice.

It is further ordered, That, without limiting the scope of the issues presented by said declaration, particular attention will be directed at the hearing to the following matters and questions:

1. Whether the proposed reacquisition by Commonwealth of shares of its outstanding preferred stock is fair and equitable to the persons affected thereby, and is necessary or appropriate to carry out the provisions of section 11 (b) of the act and the orders heretofore entered by this Commission.

2. Whether the proposed reacquisition will impair the financial integrity or working capital of Commonwealth, or the Commonwealth holding company system, or will be detrimental to the carrying out of the provisions of section 11 of the act or tend to circumvent any provisions of the act, or any rules, regulations or orders of the Commission thereunder.

3. Whether the method proposed by Commonwealth for the reacquisition of the shares is appropriate and consistent with the applicable statutory standards.

4. Whether it is necessary or appropriate to impose any terms or conditions in the public interest or for the protection of investors or consumers and, if so, what those terms and conditions should be.

It is further ordered, That the Secretary of this Commission shall serve a copy of this order by registered mail on The Commonwealth & Southern Corporation, and on all parties of record and all persons granted leave to be heard in these proceedings; and that notice of said hearing be given to all other persons by publication of this order in the FEDERAL REGISTER.

By the Commission.
